

The new ID. Buzz Cargo

Brochure

Commercial
Vehicles

Commercial mobility in a new dimension.

What do you expect from a modern day commercial vehicle? If it's electric drive, sufficient loading space, volume and comfort and convenience for long journeys, then look no further than the new ID. Buzz Cargo - the first all-electric van from Volkswagen.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

A revolution in light commercial vehicles.

The ID. Buzz Cargo is a van like no other. The new electric light commercial vehicle makes use of its clever MEB platform to offer vast internal space in a compact body. A low centre of gravity, rear-axle steering and a tight turning circle of just about 11 metres makes it perfect for confined city environments. And all this comes in a stylish, iconic design that's a world away from commercial vehicles of the past.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Fast charging, zero emissions.

The ID. Buzz Cargo is a zero emissions vehicle, making it a huge step forward in sustainable commercial driving. The battery can be charged to 80% capacity in around 30 minutes using a 170 kW DC fast charging system¹. It will also charge from any conventional household socket, and from a range of compatible charging stations and wallboxes.

¹ Charging with max. 170 kW DC charging power for the Pro battery variant and at an ambient and battery temperature of approx. 23°C and a start SOC of approx. 5%; e.g. at an Ionity Station.

Built for the future with innovative tech.

Every member of the ID. family is capable of over-the-air updates and the ID. Buzz Cargo is no exception. Software updates for the infotainment, charging and driver assist systems can all be downloaded without the need for a Van Centre visit¹.

Life with the ID. Buzz Cargo is made more relaxing thanks to a broad range of driver assist systems that includes Park Assist Plus with Memory Function, which can automatically manoeuvre the van in and out of parking spaces), Car2X, which can warn of hazards on your route, and the latest version of Travel Assist, which combines Adaptive Cruise Control and Lane Keep Assist².

¹ To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.

² Within the system's thresholds.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Standard equipment highlights of the ID. Buzz Cargo Commerce.

Interior

'Basket' cloth seat upholstery
 Decorative trims, black
 Heated front seats
 Illuminated mirrors in sun visors, with airbag label on sun visor and B-pillar
 LED load compartment lighting
 Manual height adjustment for driver
 Multifunction steering wheel with touch control
 Robust floor covering in cab
 Steering wheel, dashboard and central controls in black
 3 seats – Driver's seat and 2 seater front passenger bench seat

Infotainment and Technology

App-Connect including App-Connect Wireless for Apple CarPlay and 'Android Auto'
 DAB digital radio receiver
 Ready 2 Discover infotainment system including 'Streaming & Internet' with 10 inch colour touch-screen and 2 full range loudspeakers
 We Connect¹ preparation
 2 x USB-C ports in dashboard and 2 USB-C charging sockets in front

Comfort and Convenience

1-zone Climatronic with enhanced air filter and stationary air conditioning
 Charging cable mode 3 type 2, 32 A (6 metres length)
 Glovebox, lockable
 Operating voltage 12 V
 Power adjustable and heated door mirrors
 Sliding door on the left and right
 Surround lighting on rear
 Windshield wiper intermittent control
 11 kW AC charging power (alternating current)

Safety and Security

Anti-theft alarm system, interior monitoring in cab, back-up horn and towing protection
 Autonomous Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring²
 Car2X – intelligent vehicle networking
 Central locking system with Keyless Start, without SAFELOCK
 Cruise control system with speed limiter and Intelligent Speed Assist³
 Driver Alert System
 Driver and front passenger airbags with front passenger's airbag deactivation
 eCall emergency system
 Electronic engine sound
 First aid kit with warning triangle and safety vest
 Front and rear parking sensors
 Seat belt reminder, electric contact in buckle
 Side and curtain airbags for driver and front passenger
 Tailgate latching without unlatching function from inside
 Tyre pressure monitoring system
 3-point seat belts in front, with pretensioner and height adjustment

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.
 2 Within the system's thresholds.
 3 Covers first three consecutive services, plus x 1 MOT only. Servicing limited to 1 x Inspection Service, 1 x Pollen Filter and 1 x Brake fluid change per service. Additional work, including wear and tear, is excluded. Terms and conditions apply. Participating Van Centres and Volkswagen Retailers only. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at an authorised Volkswagen Commercial Vehicle Van Centre or Volkswagen Retailer. Freepost Volkswagen Commercial Vehicle Financial Services.

Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at www.volkswagen-vans.co.uk/en/configurator.html

Exterior

Black bumpers
 Heat reflecting glass
 LED headlights
 LED rear combination lights
 Rear wing door without window aperture
 Unique 'ID. Buzz' badging

Wheels and tyres

Black steel wheels with silver wheel trims, 8J x 18 front, 8.5J x 18 rear
 Tool kit & Tyre Mobility Set: 12-volt compressor and tyre sealant
 Tyres 235/60 R18 103T in front, tyres 255/55 R18 105T in rear

Cargo area

Fixed bulkhead

Body and Chassis

Wooden floor covering in load compartment

Standard equipment highlights of the ID. Buzz Cargo Commerce Plus (in addition to Commerce).

Interior

Leatherette wrapped multifunctional steering wheel with touch-control

Infotainment and Technology

Discover Pro navigation and infotainment system including 'Streaming & Internet'

Comfort and Convenience

Gloss Black electrically heated, adjustable and folding door mirrors, with front passenger lowering function
 Heated windscreen
 Surround lighting with logo projector

Safety and Security

Adaptive Cruise Control (ACC) stop & go with speed limiter²
 Central locking system with keyless locking and starting system
 Keyless Advanced with SAFELOCK
 Park Assist Plus with Memory function
 Rear-view camera
 Side Assist
 Travel Assist with Lane Assist and Emergency Assist

Exterior

Body-coloured bumpers
 Illuminated door handle recesses

Wheels and tyres

Tool kit
 18 inch steel wheel in silver with hub caps

Three services included as standard.³

- First MOT included
- 3x brake fluid change
- 3x pollen filter changes

Images shown are for illustrative purposes only.

We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

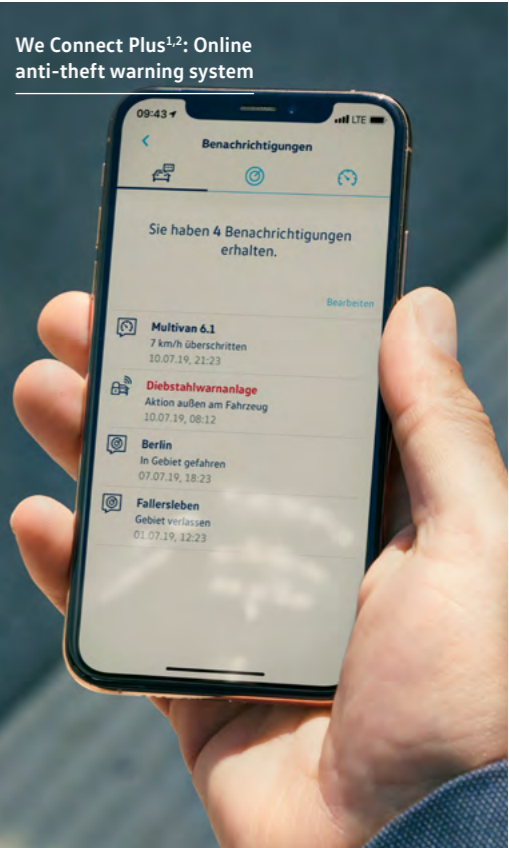

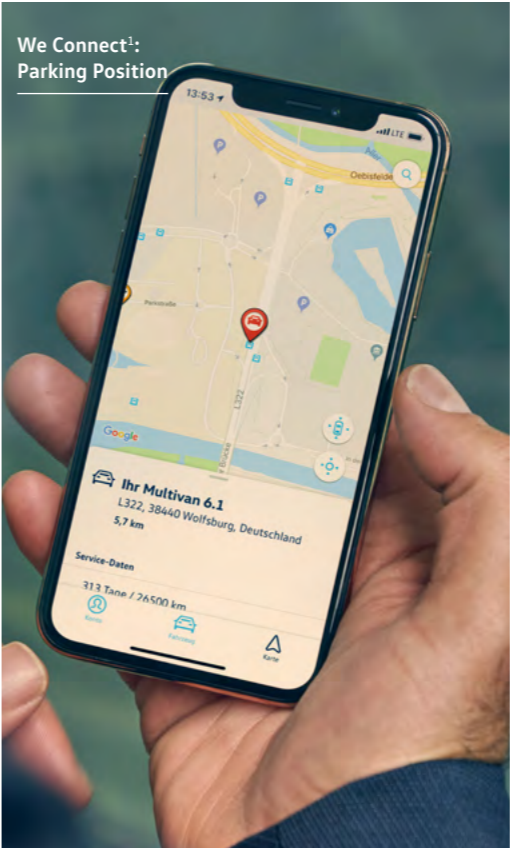

With Volkswagen We Connect¹ driving will now be even more digital. The We Connect¹ ID. app connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect¹

- BREAKDOWN CALL**
In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.
- PARKING POSITION**
The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.
- SERVICE SCHEDULING**
You drive – Volkswagen 'Service Scheduling' looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.
- EMERGENCY CALL SERVICE**
In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

We Connect Plus^{1,2}

- ONLINE ANTI-THEFT ALARM***
Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the 'Online Anti-Theft Alarm' will inform the We Connect app on your smartphone or by email.
- ELECTRIC***
In a plug in battery electric vehicle you can set 'Departure times' to ensure your vehicle is charged and air conditioned shortly before departure. Air conditioning can be personalised remotely and you can stop and start charging all through the We Connect app.

¹ To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.
² For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com/en/Images shown are for illustrative purposes only.

Fuel consumption, performance and emissions

Engine/transmission	Maximum power, PS (kw)	RDE2 Compliant	Combined CO ₂ emissions, g/km ¹	Combined Energy Consumption ¹ miles/kWh	Combined Electric Range, miles/km (WLTP) ¹	City Electric Range, miles/km (WLTP) ¹	Acceleration, seconds 0 - 62mph	Top speed, mph (where law permits)
ID. Buzz Cargo Commerce								
77 kWh Single-speed auto	204 (150)	N/A	0	2.94	254/409	356/573	10.2	90
ID. Buzz Cargo Commerce Plus								
77 kWh Single-speed auto	204 (150)	N/A	0	2.92	252/407	352/568	10.2	90

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 16.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

RDE2 refers to Real Driving Emissions Step 2.

Weights

Engine/transmission	RDE2 Compliant	Gross vehicle weight, kg	Axle load limit, front/rear, kg	Trailer weight braked 12%/unbraked, kg	Gross train weight, kg	Unladen weight ¹ , kg	Payload ² , kg
ID. Buzz Cargo Commerce							
77 kWh Single-speed auto	N/A	3,000	1,390 / 1,690	1,000 / 750	4,000	2,393	607
ID. Buzz Cargo Commerce Plus							
77 kWh Single-speed auto	N/A	3,000	1,390 / 1,690	1,000 / 750	4,000	2,408	592

¹ Unladen weight includes approximately 90% fuel load and 75kg for driver.

² Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification.

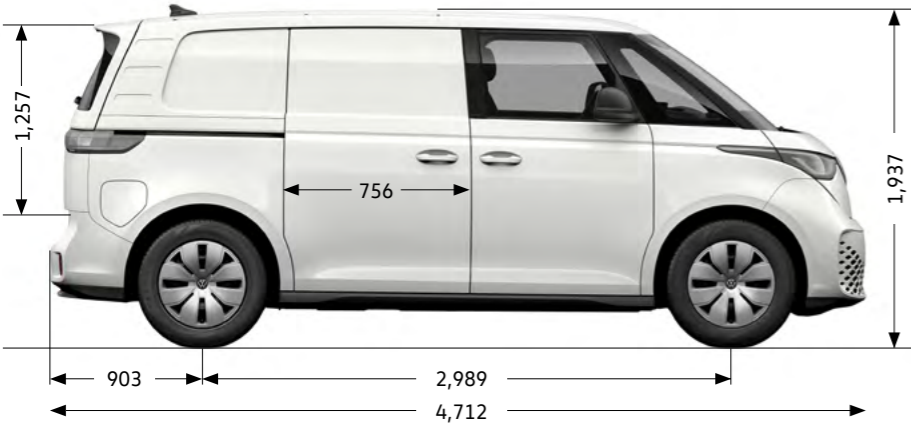

Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories.

Roof load limit: 100kg. Trailer nose weight: 100kg.

RDE2 refers to Real Driving Emissions Step 2

1 Net to energy amount.

2 Figures for the Volkswagen ID. Buzz Cargo battery electric vehicle. Fuel consumption for battery electric vehicles is N/A and CO₂ emissions are zero while driving. Battery electric vehicles require electricity for charging. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 16.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

3 The Plug-in Van Grant (PIVG) is a grant currently offered by the Office for Zero emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of ultra low emission vehicles. The ID. Buzz Cargo is eligible for the PiVG, meaning customers purchasing an ID. Buzz Cargo will receive 35% off the purchase price, up to a maximum of £5,000 (subject to an overall limit of 1000 van or truck grants per business or organisation, across all manufacturers, each year being 1 April – 31 March). The £5,000 grant has already been deducted from the 'Total RRP inc. OTR inc. VAT inc. Plug-in Van Grant price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is ultimately not applicable, withdrawn, or eligibility for the grant or the grant amount changes, for any reason, or the annual limit is exceeded). Your authorised Volkswagen Van Centre will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen Van Centre or visit www.gov.uk/plug-in-car-van-grants/overview. The Government Plug-in Van Grant (PIVG) is applicable to UK sales only (excludes the Channel Islands or Isle of Man). Vehicle eligibility and grant figure correct as at 01.12.2022

Finance, insurance, servicing and warranties

Finance¹ and insurance.³

When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits included as standard.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Commercial Vehicle Van Insurance.³

Complimentary Volkswagen Commercial Vehicle Drive Away Insurance

Every new and Approved Used Volkswagen Commercial Vehicle comes with five days' complimentary insurance cover, getting you on the road quickly and easily. Volkswagen Commercial Vehicle Drive Away Insurance guarantees that your vehicle will be repaired in a Volkswagen Approved Repairer to ensure your vehicle is repaired to the same high standards before. Speak to your Volkswagen Van Centre for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Volkswagen Commercial Vehicle Van Insurance offers. Read on for more details.

Annual Insurance

Comprehensive van insurance, designed specifically for Volkswagen Commercial Vehicles, to offer you maximum convenience with minimum hassle – just as you'd expect.

If you take out a new Volkswagen Commercial Vehicle Van Insurance policy you will receive the following benefits at no additional cost:

- All repairs are carried out by Volkswagen Trained Technicians in Volkswagen Authorised Repairers
- Volkswagen Genuine Parts and accessories (excludes windscreen claims)
- Courtesy van while yours is being repaired
- our electric van's battery is covered, whether it is owned or leased, if it becomes damaged as a result of an insured incident
- In the event of accidental damage, fire or theft, we'll cover your electric charging cables and your home charger. We will also cover accidents caused by any electric charging cables, when attached to your van.
- Cover for the full cost of repairs to chips or other small damage to your windscreen
- Up to 90 days' foreign travel cover, when using your van abroad in Europe
- Up to £250 cover for personal belongings that are lost or damaged following an accident, fire or theft

For more information or to get a quote, call us on: **0345 877 6355**

We're available Monday to Friday 9am-6pm.

Alternatively, visit: www.insurewithvwcv.co.uk/van-insurance.

Volkswagen Commercial Vehicle Gap Insurance.⁴

What is Volkswagen Commercial Vehicle Gap Insurance?

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Volkswagen Commercial Vehicle, or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Volkswagen Commercial Vehicle Gap Insurance

This pays the difference between the write-off settlement from your motor insurer and the price you paid for your Volkswagen Commercial Vehicle, or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Volkswagen Commercial Vehicle Gap Insurance will cover the difference between the write-off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Volkswagen Commercial Vehicle Gap Insurance Plus

In addition to all the benefits of Volkswagen Commercial Vehicle Gap Insurance, the Volkswagen Commercial Vehicle Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written-off during the additional 12-month fixed benefit period of insurance, Volkswagen Commercial Vehicle Gap Insurance will pay a fixed sum of £2,500.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Volkswagen Commercial Vehicle Gap Insurance, please speak to your nearest participating Volkswagen Van Centre or visit www.insurewithvwcv.co.uk/gap-insurance.

Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your ID. Buzz Cargo, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your ID. Buzz Cargo is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: www.volkswagen-vans.co.uk/en/buy-a-van/offers/aftersales-offers.html

Factory extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: www.volkswagencvwarranty.co.uk where you'll also be able to obtain a quote and purchase a Factory extended warranty.

Paint and body warranty.

Your ID. Buzz Cargo's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

Vehicle home charging.

Home charging using a domestic socket will depend on the condition and suitability of the wiring in your home. Always consult a qualified electrician before charging when using a domestic socket for the first time, or, if the socket is to be used as the primary source of charging. Domestic sockets on the same circuit as other appliances, particularly those in frequent use, will draw additional amperage which may result in a breaker switch being 'tripped'. Establishing a separate circuit for home charging will help ensure your electric vehicle is supplied with a consistent, uninterrupted current. For optimum charging, we recommend installing an electric vehicle charging point at home.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.

Battery warranty.

A guarantee for eight years or 100,000 miles/160,000 km (whichever is soonest), on all material or manufacturing defects.

Gradual reduction in battery capacity over time is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner's manual.

With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application etc.) also apply to the high voltage battery.

¹ Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales number: 2835230. Volkswagen Financial Services (UK) Limited financial services register number is 311988.

² An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Volkswagen Commercial Vehicle Financial Services.
